Yeah, i got a bunch of stuff i got to find my schedule this week.
Okay.
Whatever you really want.
Any receipts or anything like that?
I have this.
I had to go from work because i didn't care.
Yeah, what did you do?
I cut my finger up.
i'm pretty bad.
They wanted to stitch it, but i'm scared of stitches, so i hadn't blew it, but it's
pretty messy.
I got a picture on my phone.

Yeah.

I got a little sick when they...

I mean, it was deeper than I wanted it to be, but it went all the way down my knuckle, and I can't bend my finger.

So I cut it at work.

I've never been hurt at work for over 10 years.

That's the other day, huh?

It was the other day.

so i got that i think i called i called the control room and i was like hey uh i had to go

to urgent care and they're like okay yeah so i just didn't know how it worked but i'm not sure

were struggling so
i probably just saw it and then i accidentally clicked on it and then
didn't forgot that i was even there that's okay i'm sorry about that okay uh any
police contact
no chicken core fact they don't have any issues there any thoughts or dreams
about using or
drinking anything like that how's work going though overall slow i'm worried
about money right
now yeah we don't have anything going on right now like i came home today
from work at 10 o'clock
so but it's going good i mean
So I won't see you until June.
June 2nd.
How's life going?
Yeah.
Kids?
Life?
House?
Yeah, it's all good.
Got my taxes paid.
Now I got to catch up on this and I got to pay my gas bill and my water bill
tomorrow.
Whether or not everything's caught up.
Not bad?
No.
No.
I'm still decent.

I'm planting grass at my house, religiously trying to get the bald spots filled in,
and
they're finally coming in.

There you go.

Like an eight-year-old man.

Watering it there?

Yeah, standing out there and watering it like an eight-year-old man.

It's the simple things in life.

There you go.

You don't go to any meetings, Jay?

You're just working home?

What do you mean?

You don't go to any meetings, like AA, NA, anything like that?

You just go to work at my home.

Yeah.

Yeah, I got a bunch of meetings this week, though.

doctor's appointments I guess yeah okay so June 2nd will be our next one we
had

three technically right technically your check-ins three but you're always early
normally for everything I'm like yeah I'll be early tomorrow I just like that

I just like to always put it in at the correct time because we have so many
people that way I still see everyone in correct order yeah as you guys come in
usually but

yeah I can start

coming in closer to

three and I got

here really today

because I was

trying to get here

get it over with

go home

you're fine

I just that

person that I met

before forgot that we were like didn't think we were going to meet so they got
here a little later that what pushed it back but normally I have no one right
before you so you fine yeah I know that what I thought it was odd too is I
actually texted my wife and I was like I was like yeah somebody
went back there for Brandon and I was like it's 2:30 so my schedule my mind
was thrown off no

you're fine okay so this week what do we got going on um so the 20th i have an appointment for EMDR at 5 o'clock.

For what?

EMDR.

Where's it at?

It should be at that.

What's the address?

I've been there before.

It's like the 12th

Winding Roads Counseling.

It is

1634

Smith Valley Road,

Sweet A.

Got it.

Perfect.

I'll be there.

five i gotta be there at five on tuesday you coming straight from work i'll probably go home

first i don't know i don't know it depends on how tomorrow goes i just have a couple trains to run

in the sauna all right so so five what time do you know time you should be done should be done by six

then back home by 6 30 or seven i'll be home by like 6 45 just do that that works for you yeah

whatever. 635. Okay. Got that one. 21st. As of right now, I have a plumbing license meeting at 930.

I have an attorney working on getting it continued, but I don't know if we're going to get it

through the attorney general. So as right now, I have a meeting at the state house.

That's fine. Wherever that is. State house downtown? Yeah.

Yeah. I had it at 9.30.

Yeah. Yeah.

Going back and forth. I'm trying to re-up my license, and then I'm trying to just...

I have the work experience. I'm trying to just get my plumbing license, period, be done.

So try and screw me around.

When do you think it is? SB or education tonight?

Do you know the address by chance?

Yeah, I have the paperwork on.

Is it West Ohio Street?

Yeah, there's a monument.

Yeah, because there's the Robert Dale Memorial.

402 West Washington Street.

Indiana Government Center South.

Say it again. 402 West.

West Washington Street, Indianapolis, Indiana.

It's a government center south.

It's for my planning license.

That's a 930.

That is on the Wednesday.

But I don't know if I'm going to that.

I hope it doesn't see what happened.

What?

Let me type in that.

Indiana Government Center.

I put it all the way over 553 field.

Yeah.

I'm so sorry. Let me type in that. See, Indiana Government Center.

I'll put it all the way over 553 field.

Yeah. Excuse me. Okay. Got it. And then that's at what time? Sorry.

930. I don't know how long it'll take to get there though.

It doesn't matter. It's in the middle of your work day. So it's just.

I need to call them

it's in there you're good

then that Thursday the 22nd I have Johnson County at 1 30 which courtroom

is it what courtroom it not in the courthouse it in the building across the street

court three three court two do you know the cause number if i read off the first numbers

41-DO3

41-DO2

I have no idea what it is

You're killing me, what's it for?

Operating on

top scale

Probably

That's your other charge, that's probably three

It's with Judge Cummings

There you go

I do know that
That's what I needed
Court three
Court
area court three
there we go what time is that one i'm 30.
1 30.
till 3 p.m. i guess if you've done earlier awesome if not that you're good still
anything else um that night i have a psychologist appointment from four to five
same day where's that at
399 West Main Street, Greenwood, Indiana.
The Greenwood Counseling Associates.
Through what?
Counseling Associates?
Greenwood Counseling Associates.
Let me check my calendar one more time.
Okay.
Let me set that forward.
Um, yes sir.
You think you can be home by 530 or should I go later?
Good?
Okay.
536, whatever you want to put.
I just want to make sure you've got enough time to get there and get it done.
Anything else?
31st, I go to lunch somewhere.
My in-laws are coming into town.
You actually should have your fees cut up by then, right?
Yeah.
Okay.
You know, Todd?
No.
Let's do like 1115.
I just don't want to use too much of his time. Let's do one o'clock for now.
And then when you find out closer to it, just let me know.
Shoot me an email.
Am I conducted?
Because we're just not here on Monday.
We're still here the rest of the week.
Perfect.
So we can fix it.

And I need to fix your schedule.
Your work schedule is about to come to an end.
August 11th seems like a good time to continue.
So you have to watch when we're clicking through.
for their stuff to make sure it's not going to end.
The biggest issue, yeah, the biggest issue I have
is when I just look like one week,
and then I forget that we're on two-week schedules,
and I miss a week, and then they get screwed.
So I just always go back to today,
and then just one, two, click.
It's like his check-ins need to be bummed too.
So you don't sit there and just never look at his schedule
and just constantly say, all right, reoccurring,
you're good to go.
So there's a cutoff, so you have to check it more often.
All right, that's all in there for next week, man.
Your work is good still.
Your work's good.
