I'm just like, I can wait.

She's like, I can wait.

I just, I was wanting to see where the market was going to go because I don't know with the economy.

You know, it's like, it's going to go up or it's going to go down.

You know what I mean?

and then

works going good you got it so you had a big job in playing field day and the toilet in the warehouse.

Yeah.

You said you had done early though, so that's good.

Yeah.

I'm trying to pull overtime because I want to pay these taxes off, but Ben said we're caught up because we worked our butts off.

Like the first two weeks or three weeks that I was on house arrest, it was literally like I was getting my \$1,400 picture.

There you go.

That was nice.

I was like, yeah, I tired, but it was nice.

How's life going?

It's good.

Yeah.

So I only really stress is the taxes?

Or is it your property payment?

Property taxes, yeah.

They went up this year.

They were \$2,000 this year.

Yeah.

Other than that, doing good though?

Yeah.

Getting down okay?

Yeah.

Yeah, we got it done.

Yeah.

I got a picture of it.  
Yeah.  
And she loves it.  
Because the slide, they sent us wrong.  
Two left-hand pieces with a slide.  
So that was it.  
And the back door.  
Yeah.  
But now it's got a slide on it right there.  
So.  
She doesn't want to take a video.  
Don't record me.  
It's got multi-bars and stuff.  
And I redid my screen portrait there.  
this weekend that's what I went to lose for. I had to get bored with the screen.  
Oh you read into her screen? You're doing everything huh?  
Yeah I did a lot of stuff. But they're not good. And she wanted to get flowers.  
Yesterday I got up at 5 and I smoked a pork butt That was good Went to bed  
at 1230 and got up at 5  
Try to stay busy though.  
Yeah, hey, nothing wrong with that.  
So yeah, we're doing pretty good.  
I got a lot of stuff going on.  
Tomorrow I'm at Wabash College working in Crawfordville.  
property and then wednesday i'm underneath uh two-story building in carmel  
doing plumbing for a  
spa sauna so it'll be exciting i'll be in a lift about 30 feet in the air and plug it  
over there  
that's fun yeah just stressed about the taxes but i mean i have enough income  
it's just it's just  
cutting up different payments like this yeah making sure everything's broken  
up and caught up  
i get it man that's why i'm like you know i gotta get corrections because it's a  
legal thing  
i'm like but i'll have house taxes then i also have you know i just paid my  
electric bill today  
so it's just no stress and there's nothing wrong with that man there's nothing  
wrong with being  
stressed that's part of life right it's more of how you handle your stress you  
know that's where

that's where the line comes at uh wednesday you have a meeting at what time  
uh six so leave at  
5 30. sure i'm assuming i don't know how where is it i thought main street 399  
west main street  
in greenwood it's the same psychologist i saw a couple weeks ago  
you said 399 west main street yeah should be real type of didn't make sure  
yeah you know what the name of the place was called  
it is  
Greenwood Counseling Associates.  
It didn't pop up on my Apple Maps.  
I had to Google that.  
Right.  
It starts at 6.  
You know how long it usually lasts?  
No.  
It's not.  
So it's like 7.  
It'll be on by 7.30.  
Yeah, that'll be 5.  
Okay.  
Yes, sir.  
Anything?  
Yeah, go ahead.  
Saturday, can I get a haircut?  
Yeah.  
It'll be Sports Club on Smith Valley.  
Are you working on Saturday or no?  
Oh, I don't know anything about that.  
I'll put it for after you get off or just be safe.  
Yeah, that's fine. I appreciate that.  
Sports clips.  
I feel like uh Which one do you go to It on on smith valley it nothing sweet  
deep 3147 west smith valley road sweet deep  
I'm gonna say it again.  
3147 West Smith Valley Road Sweetbeat.  
That works.  
So it takes about an hour to get a haircut.  
So let's have you home at 7 p.m.  
Leave at 5.  
I don't know how I like to open it.  
I like to open it until 8.

on Saturdays  
or over until 6.

Okay, so do  
4.30.

Get there at 5.00. Be done at 6.00.

Yeah, that's fine.

And then if you...

It's on your schedule, so if you don't work and you want to go earlier,  
you can. It's on your schedule.

Does that make sense?

You can go early.

If you're not working and you want to go early, you can go early.

It's on your schedule.

Yeah, just because

you don't know if you're working or not.

So I want to make sure you're able to go still.

Okay.

So I'll just try to give them a call and say, hey, I'm going to sports.

It's on my schedule.

Nope.

You're good.

I'm on there.

You're set.

I appreciate that.

And I'll put a comment on here that says, might go earlier if not working.

But I have you leaving at 430, being home by 630.

Yeah.

That way you're cutting in time still in case you do work.

All right.

That is good for that.

I'm going to go back.

um just so you know i won't be here next monday so we're just gonna do two  
weeks and i'll see you

on april 28th make things easier that'd be great i think that helps everyone  
else out when i do that

kind of stuff instead of making trying to get you guys in here to see somebody  
that doesn't really

work with you guys that much you know i mean yeah i had to do it with  
probation when i was in

no more than street and i would see this girl and she's like asking these rolling  
depth questions

so i'm like rick never has to do this she's like you doing well and she's like i  
looked at your case  
uh do you need to know health services you're all bro you said i never asked  
you that stuff yeah  
huh you said i never asked you that my regular probation officer never did oh  
okay how life was  
going how work was going just like you do yeah and she was like wanting to  
know like my mental health  
and i'm like girl like who's that it was at adult probation and franklin i don't  
know her name but  
because whenever rip them on vacation that's what it seems okay
